COVID-19 REMINDERS in line with Public Health Guidance:

- Please **do not** send your child to school if they display any COVID-19 symptoms e.g. (new, persistent cough, temperature above 37.8 degrees or a loss of taste/smell)
- If your child does need to take a PCR test then school must see the result whether it is positive or negative for our records. Please email: contactststephens@gmail.com or send it via the absence reporting section of the school app.
- Any child who has been in contact with a positive case of COVID-19 **does not** have to isolate unless they have symptoms themselves in which case we advise booking a PCR test.
- If a child is absent from school due to isolation purposes then school is now legally obliged to provide online learning via Tapestry (Reception) or Seesaw (Y1-6) each day as long as they are well enough to do so.
